Welcome to the MBA programme, 60 credits
Congratulations on your admission to the MBA programme 60 credits, at Blekinge Institute of Technology (BTH).

**Practical information**

The programme runs part-time from August 29th, 2016 to 28th of May, 2018.

**Registration**

In early August, you will receive login details (user name and password) via e-mail. To get access the courses and the programme site MBA 2016 you need to register as a student in the Student’s Portal. It is possible to register from the 10th of August.

Make your registration at [http://studentportal.bth.se](http://studentportal.bth.se). Log in with your login data and make a registration by clicking **My e-services** and choose **Registration**. If you are unable to register, please contact the Student helpdesk: studentcentrum@bth.se or contact ithelpdesk@bth.se.

If it for some reason is impossible for you to join the programme in time, i.e. before 2015-09-15 you will lose your seat in the program – this is important! If you are unable to join, you should seek deferment to be able to start your program at the next time it is provided. You find the information about this in the student portal ([http://studentportal.bth.se](http://studentportal.bth.se)). In general, the student portal link is useful for you as students. Check it out.

**It’s learning**

It’s learning is the BTH online Learning Management System (LMS). This is the portal where you receive information from programme director and instructors. You log in to It’s learning via the Student Portal with your student account. Here you can find all information about courses and you have access to discussion boards, surveys, tests, assignments, lecture notes etc.

**3 week roll-call**

For each course there is a three-week virtual roll call. Instructions on when and how to do this will be available on each course site on It’s learning. Please note that you need to show activity from the start in the courses. If you do not fulfill the requirements for the 3 week roll-call you will be removed from the course and lose your registration.
First semester courses

The programme starts with the following two fall courses in serial order:

- Management perspectives in industrial organizations
  Course Manager: Dr Philippe Rouchy, philippe.rouchy@bth.se
- Corporate Finance
  Course Manager: Dr Henrik Sällberg, Henrik.sallberg@bth.se

It is important that you have acquired the course literature by the time the Management Perspectives course starts the 29th of August. Information about the courses, such as course literature and other information are available in the course descriptor. You can search for the updated course descriptor (syllabus) on this link:

Faculty and other staff members at Department of Industrial Economics at BTH involved in the MBA programme look forward to working with you and are ready to guide you towards a rewarding learning experience.

Dr. Henrik Sällberg
Programme Director
Henrik.sallberg@bth.se
